

Sagamore Hills

Atlanta, GA

Step It Up Day

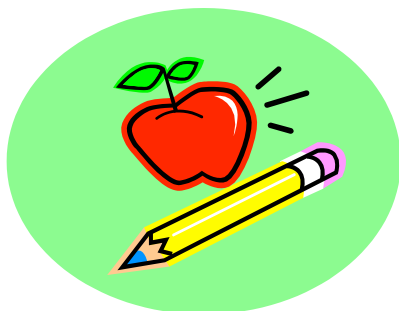

May 23, 2012

Welcome to 5th Grade!

Have a Great Summer!

Make sure that you return to school in August prepared to hit the ground running! You should be reading some great books and polishing up on your math skills. The attached list of Georgia Book Award winners and educational websites are a great place to start.

Keep track of the books you read this summer using the attached reading log. Also, make sure that you start fifth grade knowing all of your times tables up to 12 x 12.

See you in August!

Mr. Burnes

Mr. Garner

Mrs. Manasso
